

Report for webinar on "Role of Electronics In Combat against Covid-19"

Department of Electronics

The department of electronics had organised a national webinar on "Role of Electronics In combat against Covid-19" on 13-Aug-2020 from 10:00 AM to 01:00 PM.

The spread of covid-19 has effected almost all spheres of human life, physical, emotional and economic in India. We are all navigating through the current lockdown. Like every other crisis, we will ride this tide, adopt and come out stronger.

This pandemic has significantly disrupted the higher education sector as well, which is a critical determinant of a country economic future. Hence Electronics department had organised this webinar.

The resource persons for this webinar was Dr.K.Rama Subhramanyam, professor & Head, Department of Electronics and Communications, BERNETT University, Greater NOIDA.

Dr.K.Tarakeswara Rao , Assistant professor, Department of Physics and Electronics, ANDHRA UNIVERSITY, Visakhapatnam.

In the first session Dr.Rama Subhramanyam participated as Resource Person and delivered his presentation on the usage of Digital technologies and tools against Covid-19. He discussed the importance of other prominent digital technologies apart from digital components and Technologies like augmented reality/virtual reality can be considered as digital alternatives to address the issue.

In the second session Dr.K.Tarakeswara Rao, participated as Resource Person and delivered his presentation on role of Electronic communications in Covid-19 pandemic, he discussed about social media platforms in recent years have been a key medium of communication during this crisis. At a time when the reach of traditional media has been limited due to social distancing measures, social media users have kept the world updated and have played a major role in dissipating credible information.

These two sessions were very much informative. The discussed areas were of great benefit for the participants as the topic was very relevant with the current scenario.

The webinar ended with questionnaire session followed by vote of thanks. Feedback for this two sessions was also collected and E-certificates was distributed to all the active participants.

In this webinar involved our Secretary and Correspondent Sri MV Satya Narayana Murthy , chairman of this Webinar, Dr.S.Prabhakar, Principal and IQAC Coordinator Sri N.Raju and other faculty members and technical support given by M.Srinivas from office for conducting the webinar online platform (zoom app) in smooth manner.

Total number of participants: 55
